

# Playgrounds

*BY SUPERIOR RECREATIONAL PRODUCTS*

## Childhood is about more than having fun.

It's about **exploring** the world, **challenging** growing muscles, and **using** imagination in new ways. It's proven that children need unstructured play to **grow and develop** into happy, healthy, and well-adjusted people. That's why at SRP, we help children grow by personalizing play. Are you ready?

### Let's go play!

# Playground Materials

At Superior, we only use quality playground materials — whether purchasing just a **climber** or a **full structure**. Manufactured at our west Georgia manufacturing facility, **our playgrounds are proudly made in the USA**. Our structures are built to last and provide fun for years to come.

1

## Our rotationally-molded plastics have anti-static inhibitors.

Our rotationally-molded plastics, such as those used for slides and tubes, are made of  $\frac{3}{8}$ " thick low density polyethylene (LDPE). They are UV stabilized for reduced fading and also contain anti-static inhibitors.

2

## Our textured HDPE panels are strong and UV stabilized.

Our  $\frac{3}{4}$ " thick textured high density polyethylene is used for products such as our activity panels. With UV stabilization, we ensure your carefully selected color will remain bright and colorful for years to come. These panels are stain and graffiti resistant and will not splinter or crack.

3

## Our Superdurable powder coat leaves your structure protected.

Our steel posts are coated with 3 mils of zinc-rich primer and 3 mils of Superdurable powder coat. These 6 mils protect your playground from sun discoloration and salt (in coastal regions).

### P.S. Our post caps aren't just pretty.

From easy in-field installation to a unique two-color look, our aluminum alloy post caps offer many great benefits. Our super-tough post cap design allows for less water access, making our posts more durable in the field. Once installed the post caps can't be removed, stopping unwanted vandalism.

4

## Our modular shades block harmful UV rays.

Our shade fabric blocks 91%–99% of harmful UV rays, depending upon the color you've chosen. Our fabric is also flame retardant, with some of our color choices being California Fire Marshal certified.

5

## Our steel decks and stairs are among the thickest in the industry.

Our steel decks are formed from 12-gauge hot-rolled steel body — among the thickest in the industry — and are coated with UV stabilized PVC for a softer play surface. They're also sprayed with a PVC textured coating that increases foot traction, are perforated for drainage, and are lead-free.

6

## We offer stainless steel hardware, so you won't worry about rust.

Ninety-nine percent of the hardware we use is stainless steel, with less than 1% being corrosion-resistant coated steel. Our hardware is packaged individually and labeled, allowing for more efficient installation.

# We Reimagine Play

WITH OUR RECYCLED STRUCTURES

## 95%

Our recycled structures are approximately 95% recycled.

*Our posts, decks, and barriers are 100% recycled, while our metals are 90% recycled.*

Every pound of recycled plastic lumber equates to 8 recycled milk containers.

*Our playgrounds are made from reclaimed post-consumer plastic products such as milk jugs!*

### How it Works

1

You recycle items like plastic beverage containers and bags.

2

The raw materials are ground and processed.

3

The ground material is extruded to create the recycled lumber.

## We're Safe & Easy to Buy From

### We Keep Safety First

All of Superior's playground products meet or exceed the standards set forth by the below organizations.

**Learn more on page 144!**

<p><b>IPEMA™</b></p> <p>Most of our products are IPEMA certified for their safety</p>	<p><b>CPSC</b></p> <p>We comply with the CPSC's Public Playground Safety Handbook</p>
<p><b>U.S. Access Board</b></p> <p>Superior adheres to the guidelines set forth by the Access Board</p>	<p><b>ASTM</b></p> <p>Superior is a member of ASTM International</p>

### We Make it Easy to Buy

Superior makes it easy to buy and bid our products by having contracts with the following organizations.

**View more on page 142!**

**Purchasing Cooperatives**

**Financing**

Buy in phases, too!

**Phase One**  
Capacity: 36  
Size: 38' x 15'

**Phase Two**  
Total Capacity: 68  
Phase 1 + 2 Size: 38' x 26'

## • BOOST YOUR • Play Potential

Our phasing program allows you to create the play area you need now with room to grow for the future.

**Completed Structure**  
Capacity: 82  
Size: 38' x 35'

**Phase Three**  
Total Capacity: 82  
Phase 1 + 2 + 3 Size: 38' x 35'

### Why is phasing beneficial to you?

A small segment of your playground is installed at a time allowing facilities that have limited funds to satisfy their immediate play needs while keeping their larger playground goals well within reach. Structures can be developed in as many phases as needed to accommodate your budget.

• BUDGET •

# Breakdown

While every playground project is different, each of our steel playground clients can anticipate certain costs while planning for their new playground. Check out this great diagram that answers the age-old question, "What should I budget for?"

## 22%-40% Installation

- Dependent upon:
- Location
  - Local Labor Rates
  - Site Conditions
  - Product

## 7%-15% Freight

- Time of Year
- Location
- Fuel Rates
- Size of Product

## 20%-50% Product

- Complexity of Design
- Materials
- Layout of Structure
- Installation Methods

## Other Items to Consider

- Shade
- Site Amenities
- Installation of Drainage
- Ground Preparation
- Containment Borders
- Utility Locations
- Restoration after Construction

## 20%-90% Surfacing

- Type of Surfacing
- Size & Layout
- Thickness of Surfacing
- Preparation Needed

• BUILDING YOUR •  
**Environment**

Our mission is to help you play, relax, and live. We help communities create complete outdoor recreational environments that cultivate community, enrich lives, and allow people to focus on what matters most. Utilize all of our product lines in your next recreational space.

# 2-12 Year Old Structures

## MAKE CHILDHOOD MEMORABLE.

Our 2-12 play structures are designed for both younger children and older children. Younger children will enjoy the ground-based play panels while older children will test their limits with physical play.

# 6-23 Month Structures

## DEVELOP, LEARN, AND GROW.

Our 6-23 month play structures are designed with the developing child in mind. These structures are challenging but easily accessible to both crawling and walking toddlers. Additionally, they support developing skills and provide high visibility to supervisors.

## Play Centers and Infant Exploratoriums

Our Infant Play Centers and Exploratoriums are similar to our traditional structures but are made with fiber reinforced plastic (FRP) posts and, depending upon your surfacing, may feature Trex® decking. These designs provide ground-based play events for crawling infants and can be outfitted with our slide-in gate to provide caregivers the option of keeping infants inside or allowing them to venture out.

# Swing Frames

## Steps to Designing Your Swing Set

1

**Select Swing Set Frame Type and Bay Count**  
Single Post, Arch, Bi-Pod, or Tri-Pod

2

**Select Seat Type**  
Belt, Bucket, Adaptive, or Tire

3

**Select Hardware and Chain Type**  
Galvanized or Plastisol Coated

4

**Select Swing Frame and Seat Belt Colors**

A

### A. Single Post Swing Frame

A space saving design constructed from 5" steel tubing and powder coated in your choice of color. Features an 8' height.

Bays	Item Number	Use Zone	MSRP
1	EFRO051XX	24' x 32'	\$1,035
2	EFRO052XX	36' x 32'	\$1,848
3	EFRO053XX	47' x 32'	\$2,737
4	EFRO054XX	59' x 32'	\$3,623
Add-A-Bay	EFRO083XX	Add 11' x 32'	\$890

### B. Single Post Swing Frame with Shade

Our popular Single Post Swing Frame with a shade upgrade.

Bays	Item Number	Use Zone	MSRP
1	TFR09035XX	24' x 32'	\$3,219
2	TFR08980XX	36' x 32'	\$4,554
3	TFR09051XX	47' x 32'	\$5,957
4	TFR09054XX	58' x 32'	\$7,358

### C. Arch Swing Frame

The 3.5" and 5" Arch Swing Frames are constructed of the same high quality steel used in our play structures. The entire frame is powder coated to match your playground. Features an 8' height.

	Bays	Item Number	Use Zone	MSRP
3.5"	1	90015201XX	24' x 32'	\$1,386
	2	90015202XX	36' x 32'	\$2,138
	3	90015203XX	48' x 32'	\$2,889
	4	90015204XX	58' x 32'	\$3,639
	Add-A-Bay	90915200XX	Add 11' x 32'	\$755
5"	1	90015501XX	24' x 32'	\$2,033
	2	90015502XX	36' x 32'	\$3,330
	3	90015503XX	48' x 32'	\$4,627
	4	90015504XX	58' x 32'	\$5,921
	Add-A-Bay	90915500XX	Add 11' x 32'	\$1,300

C

D

### D. Arch Tire Swing Frame

A fun tire swing design constructed from 5" steel tubing and powder coated in your choice of color. Features an 8' height.

Bays	Item Number	Use Zone	MSRP
1	90015991XX	22' x 28'	\$2,145
2	90015992XX	22' x 44'	\$3,546
3	90015993XX	22' x 59'	\$4,948
4	90015994XX	22' x 74'	\$6,350
Add-A-Bay	90945900XX	Add 11' x 32'	\$1,406

E

### E. Bi-Pod Swing Frame

A traditional design constructed from 2 3/8" galvanized steel tubing and cast aluminum junctions. Features an 8' height. Want a powder coated frame? Use "Swing PC Charge" per bay when ordering.

Bays	Item Number	Use Zone	MSRP
1	90015401XX	25' x 32'	\$654
2	90015402XX	36' x 32'	\$1,117
3	90015403XX	47' x 32'	\$1,582
4	90015404XX	58' x 32'	\$2,045
Add-A-Bay	90915400XX	Add 11' x 32'	\$513

### F. Tri-Pod Swing Frame

A traditional design constructed from 2 3/8" galvanized steel tubing and cast aluminum junctions. Features an 8' or 10' height. Want a powder coated frame? Use "Swing PC Charge" per bay when ordering.

	Bays	Item Number	Use Zone	MSRP
8'	1	90015301XX	33' x 32'	\$783
	2	90015302XX	45' x 32'	\$1,280
	3	90015303XX	56' x 32'	\$1,793
	4	90015304XX	67' x 32'	\$2,304
	Add-A-Bay	90015300XX	33' x 32'	\$517

# Complete Your Space

**MAKING IT EASY TO CREATE COMPLETE SITE ENVIRONMENTS.**

No space is complete without a shade, shelter, or site amenities. We also offer a full line of dog park products, surfacing, and playground timbers. Get out there and play, relax, and live!

## . IN THIS . Section

Surfacing.....	136
Timbers and Ramps .....	137
Shade and Shelter.....	138
Site Amenities.....	139
Bleachers .....	140
Dog Play.....	141

## How to Choose Surfacing that is Right for You

Since safety is our first concern, we recommend only the surface materials below which have proven track records — not just at the time of installation but over several years and conditions.

1

### Loose Fill Rubber Mulch

- Low maintenance
- Softer alternative to wood mulch
- Creates a pliable, resilient surface
- Discourages mold, mildew, and insects
- ADA compliant

2

### Poured In Place (PIP)

- Low maintenance and durable
- Best wheelchair access
- Ability to add graphics

3

### Rubber Tiles

- Low maintenance
- Best wheelchair access
- Available in various thicknesses
- Will not mold or mildew

4

### Engineered Wood Fiber

- Initially most economical
- ADA compliant

*\*Rubber surfacing products we offer do not contain contaminants that are harmful to children.*

A

B

C

D

## Playground Surfacing

### A. Loose Fill Recycled Rubber Mulch

Colors available: Rainbow Turf, Jungle Turf, Rustic Turf, Green, Brown, Black (from left to right)

*\*A drainage base is recommended*

### B. Poured In Place (PIP)

Colors available: Blue, Green, Yellow, Teal, Bright Red, Orange, Mid-Gray (from left to right)

*\*Ask your sales representative to see all available colors*

### C. Rubber Tiles

Available in 2' x 2' squares  
Available in a variety of thicknesses

#### Rubber Tiles Thickness Guide

Thickness of Tile	Fall Height
2 1/4"	4'
2 3/4"	6'
3 1/4"	8'
3 3/4"	10'

Colors available: Green, Brown, Tan, Gray, Red, and Black (from left to right)

### D. Engineered Wood Fiber

Engineered wood fiber is locally sourced so actual content varies

*\*A drainage base is recommended*

## Timbers & ADA Ramps

Our durable and easy-to-install timbers, which are made from HDPE plastic, are designed to keep loose-fill surfacing in its place. Need to meet ADA compliances? We're here to help! Our ADA access ramps are fabricated with the same quality HDPE plastic as our timbers.

### A. 4' Reversible Rock/Stone Landscape Timber \$36

Model: RLT  
Uses "BLTH" Timber Stake

### B. 12" Landscape Timber and Border Cap

Our 12" Landscape Timber is available in a 4' and 6' length. The custom color option allows you to choose from our selection of roto-molded plastic colors. These timbers use the "LTH" Timber Stake. The 4' and 6' kit options include one and two stakes, respectively.

Description	Item Number	MSRP
Black Landscape Timber	LT-4	\$35
4' Custom Color Landscape Timber	LT-4XX	\$51
Black Landscape Timber Kit	90022004XX	\$43
Black Landscape Timber	LT-6	\$48
6' Custom Color Landscape Timber	LT-46XX	\$74
Black Landscape Timber Kit	90022006XX	\$66
<b>NEW!</b> Border Cap for LT-4 and LT-6	BMP-0002XX	\$28

### C. 4' x 8" Landscape Timber \$37

Model: LT-4-8  
Uses "LTH" Timber Stake

### D. Timber Stakes

**30" Timber Stake \$9**  
Model: LTH

**24" Timber Stake \$7**  
Model: BLTH

### E. NEW! ADA Accessible Ramp System

Our ADA Ramp Systems, made from roto-molded plastic, allow for easier transitions into your timber-bordered play environment. These systems are designed for timbers that are 12" high.

**Full System \$950**  
Model: TFR0592XX  
Dimensions: 120" x 43"  
Includes: full ramp, 12 stakes, and 2 end caps

**Half System \$570**  
Model: TFR0591XX  
Dimensions: 60" x 43"  
Includes: half ramp, 6 stakes, and 2 end caps

G

# We Make It Easy to Buy and Bid

Superior makes it easy to buy and bid by having a nation-wide team of SRP Certified Partners and by having contracts with the following organizations.

## FOR GOVERNMENT ENTITIES

Formerly The Cooperative Purchasing Network (TCPN)

The National Intergovernmental Purchasing Alliance (National IPA) teams with top-notch partners like us to create more economical buying opportunities through their competitive contracts. Public agencies and government entities, such as state, city, county, and public universities or school districts, can register with National IPA. To purchase through National IPA, go to [nationalipa.org](http://nationalipa.org) and register, browse products, and contact partners like us!

BuyBoard is an online purchasing cooperative that gives its members best pricing on products, equipment, and services that they use everyday. Members save time and resources because the competitive procurement process has already been completed. BuyBoard's nationwide members include those in public schools, municipalities, county government, and all types of local government agencies and non-profits. Become a member today by visiting [buyboard.com](http://buyboard.com) — it's free!

HGACBuy is a cooperative purchasing network available to local governments, state agencies, and certain non-profit corporations nationwide. All products offered by HGACBuy have been awarded through a public competitive process. To become a member of HGACBuy and to view products like ours, visit [hgacbuy.org](http://hgacbuy.org).

### Interlocal Purchasing System

The Interlocal Purchasing System (TIPS), governed by the Region 8 ESC Board of Directors in Texas, is available for use by all public and private schools, colleges, universities, cities, counties, and other government entities in the state of Texas. However, other states may use this purchasing system if their purchase meets individual state purchasing laws, rules, and regulations. Awarded vendors, like Superior, have agreed to provide the best pricing, terms, and conditions available to TIPS members. Membership is free, visit [tips-usa.com](http://tips-usa.com) to learn how to become a member.

## FOR BUSINESSES

Marlin Equipment Finance is a direct lender providing financing to small and mid-size businesses so they can acquire new equipment and technology while preserving capital. Their customers include equipment dealers, manufacturers, distributors, and small business establishments.

## STATE-SPECIFIC OPPORTUNITIES

### Oregon's DAS Procurement Services

Oregon's Department of Administrative Services operates a procurement service marketplace for state agencies and local government entities.

### Texas' Educational Purchasing Interlocal Cooperative

Texas' Educational Purchasing Interlocal Cooperative at Region 6 (EPIC6) holds contracts with suppliers just like us whose products have been competitively bid and awarded, meeting all current procurement laws and regulations. This cooperative features a no cost membership and is open to all K-12 school districts, colleges and universities, cities and municipalities, counties, state agencies, private schools, and charter schools in the state of Texas.

### North Carolina's E-Procurement Services

NC E-Procurement allows government entities to aggregate their purchases to obtain better prices from suppliers just like us! Any state or university system, city, town, county, community college, or local education authority in North Carolina can register.

## FOR EVERYONE

You can find an SRP Certified Partner in almost every state! Our Certified Partners have extensive knowledge and training in all Superior products. Find your closest representative by visiting [srpplayground.com](http://srpplayground.com) and clicking "Contact a Rep."

# We Meet or Exceed Industry Standards

In our effort to provide quality and safe play products for children, our products meet or exceed the standards set forth by the below organizations. Additionally, we follow our own strict in-house standards and guidelines.

## INDUSTRY STANDARDS

### International Play Equipment Manufacturers Association™

In the interest of playground safety, the International Play Equipment Manufacturers Association (IPEMA™) provides a third-party certification service whereby a designated independent laboratory, TÜV SÜD America Inc., (TÜV), validates an equipment manufacturer's certification of conformance to the standards below.

- ASTM F1487-11, excluding sections 7.1.1, 10 and 12.6.1: Standard Consumer Safety Performance Specification for Playground Equipment for Public Use
- CAN/CSA-Z614-14, excluding clauses 9.8, 10, and 11: Children's Playspaces and Equipment

A list of current validated products may be viewed on their website at [www.ipema.org](http://www.ipema.org). SRP is a member of this organization.

### American Society for Testing and Materials

The American Society for Testing and Materials (ASTM) is an independent and world renowned developer of technical standards utilized in testing a multitude of products. ASTM developed F1487 Standard Consumer Safety Performance Specifications for Playground Equipment for Public Use. The current standard is F1487-11, published in 2011.

### U.S. Consumer Product Safety Commission

The U.S. Consumer Product Safety Commission (CPSC) presents safety guidelines through the publication of their Public Playground Safety Handbook. This handbook promotes greater safety awareness among those who purchase, install, and maintain public playground equipment. The handbook can be viewed on the CPSC's website, [cpsc.gov](http://cpsc.gov).

### United States Access Board

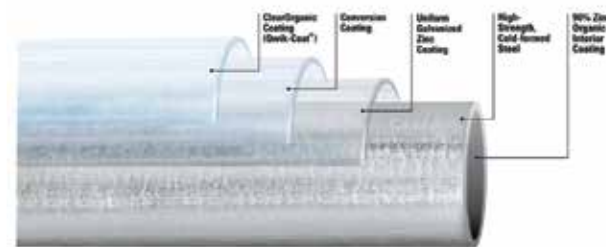

The U.S. Access Board is a federal agency that promotes equality for people with disabilities. They've developed guidelines and standards for built environments, such as playgrounds.

## OUR IN-HOUSE STANDARDS

At Superior, we only use quality playground materials — whether you're purchasing just a climber or a full structure. Manufactured at our west Georgia manufacturing facility, our playgrounds are proudly made in the USA. Our structures are built to last and provide fun for years to come.

To ensure the safe play of your children, we offer:

- Quality control inspection on all parts and shipments
- All products must pass inspection in our IPEMA Certified In-House Testing Facility
- In-house production of most products
- All products meet or exceed CPSC, ASTM, and ADA Safety Guidelines
- On-staff NPSI and CPSI Certified employees
- Quality designed products
- Local field factory trained installation technicians
- Direct connect component attachment system
- Products constructed from Allied's heavy-wall galvanized steel tubing, which is protected by Allied's patented Flo-Coat® process that uses triple-coat corrosion protection (zinc, conversion coating, and clear organic topcoat) to provide a smooth, shiny appearance that is unmatched in terms of strength and durability

# Warranty

Our warranty guarantees years of unlimited fun. To view a digital version of our warranty, please visit our website at [srpplayground.com](http://srpplayground.com).

Superior Recreational Products (SRP) warrants that its product will be free from defects in materials and workmanship as well as maintain structural integrity for the periods listed below from the date of invoice and once SRP has been paid in full. This warranty is in effect only if the product has been assembled and installed strictly in accordance with the setup instructions provided by SRP, good construction practices, and has been subjected only to normal use and exposure.

- Lifetime\* Warranty on playground steel and recycled posts, all stainless steel hardware, c-line fittings, and aluminum post caps
- 10-Year Limited Warranty on Shade Fabric
- 15-Year Limited Warranty on playground pipes, rungs, loops and rails, rotomolded plastics, HDPE plastic sheets, punched steel decks, and recycled decks
- 5-Year limited Warranty on Site Amenities, cables, and nets
- 1-Year Limited warranty on moving parts and materials not covered above

The Limited Warranty excludes abnormal conditions, contingent liability, cosmetic defects such as scratches, dents, marring, stripping, peeling, or fading; damage due to incorrect installation, vandalism, misuse, accident wear and tear from normal use; exposure to extreme weather, immersion in salt or chlorine water, damage due to sand, salt spray, or other abrasive and corrosive material; unauthorized repair or modification, abnormal use, or lack of maintenance. The warranty does not cover damages due to "acts of God" such as hail, flooding, lightning, tornadoes, sand storms, shifts of terrain, earthquakes, mudslides, and windstorms.

If product has shade fabric and installed in an area exposed to hurricanes, removal of the shade fabric is required when a hurricane warning is issued. In the unlikely event of failure, SRP reserves the right to alter the design, color, or contributing factors to rectify the condition and help prevent any future reoccurrence(s). SRP has the option to repair or replace any defect in materials. The warranty is void if any changes, modifications, additions, or attachments are made to the product without the written consent of the manufacturer.

SRP excludes any implied warranty of merchantability, fitness, or purpose, and there are no warranties which extend beyond the description of the face hereof. Under no circumstances will SRP be responsible for any indirect, special, consequential, incidental, or liquidated damages due to breach of warranty and such damages are specifically excluded from the warranty. The owner shall notify SRP with original Sales Order Number issued from SRP to arrange for an inspection within 30 days after discovery of any defect under this warranty and before any alteration or repair is made or attempted. This Limited Warranty shall be null and void if the owner makes any alterations in design. This warranty is the only express warranty given by the company. No person has authority to change or add to these obligations and liabilities. The company reserves the right to determine whether the fault is caused by faulty workmanship, material, or the part that is defective.

**Powder Coat:** Superior Recreational Products offers a 5-year Limited Warranty for powder coating to the original purchaser. This Limited Warranty is for factory applied finish only. Damage occurring from shipping, erection, vandalism, accidents, or field modification is not covered in this limited warranty and will require field touch-up immediately and periodically thereafter. The owner must report any defect in powder coat at the time the installation is completed. Not covered by this Limited Warranty are acute angles, welds, and end plates.

- The Limited Warranty for powder coating provides the following after a 5-year exposure period when applied according to the recommendations listed on the product's technical data sheet and appropriate surface preparation has been utilized.
- The coatings shall retain their original color with a ΔE of <7.5 units for high chroma colors, (Yellows, Reds, Oranges, ETC.) and a ΔE of <5.0 units for low chroma colors, when tested in accordance with ASTM D 2244.
- The coating shall retain a minimum of 50% of its original gloss level after washing, when tested in accordance with ASTM D 523.
- The coating shall exhibit chalking no worse than numerical rating of 6, when evaluated in accordance with ASTM D 659-80.

**Stainless Steel Series Powered by Playdale Playgrounds:** Playdale Playgrounds warrants its products to the original customer to be free from structural failure due to defect in materials or workmanship during normal use and installation in accordance with the published specifications. The warranty shall commence on the date of the invoice and terminate at the end of the period on the full warranty statement. The warranty is valid only if the products are installed properly and in conformance of the specifications, installation guides, Playdale Playgrounds design layout, and properly maintained in accordance with the maintenance schedule provided within the installation instructions. Playdale Playgrounds reserves the right to accept or reject any claim in whole or in part. Playdale Playgrounds will not accept the return of any product without prior approval by Playdale management.

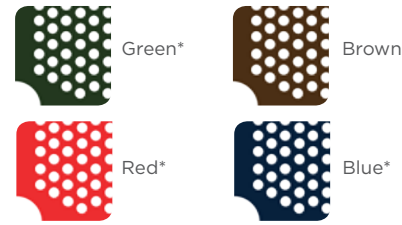

**Pricing, Cancellation, Return, and Shipping Policy:** All prices are F.O.B. factor and do not include freight, installation, shipping and handling, surfacing, or applicable taxes. All prices listed were current at the time of printing and in U.S. currency. Prices are subject to change without notice. To view our return policy, please visit [superiorrecreationalproducts.com/returns](http://superiorrecreationalproducts.com/returns). To view our shipping policy, please visit [superiorrecreationalproducts.com/shipping](http://superiorrecreationalproducts.com/shipping). For Information on Return Material Authorizations or any additional information, please call 1.800.327.8774.

*\*For the purpose of this warranty, lifetime encompasses no specific term of years, but rather that seller warrants to its original customer for as long as the original customer owns the product and uses the product for its intended purpose that the product and all parts will be free from defects in materials and manufacturing workmanship. This warranty does not cover damage caused by vandalism, misuse or abuse, altered or modified parts, or cosmetic damage such as scratches, dents, or fading or weathering and normal wear and tear. This warranty is valid only if the structures are installed in conformity with instructions provided by Superior Recreational Products using approved Superior Recreational Products parts. Superior Recreational Products will deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for labor or the labor costs of replacement. Warranty claims must be filed within the applicable warranty period and accompanied by a sales order or invoice number.*

# Color Options

## Decks, Bridges, and Stairs

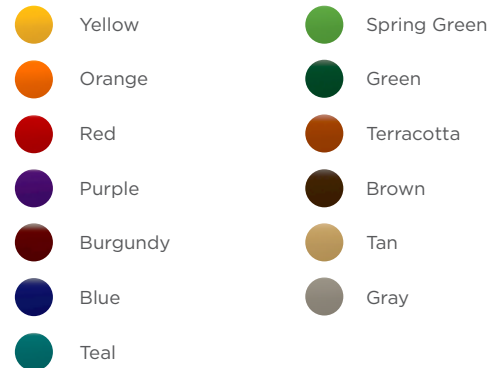

\*Have an additional 4-6 week lead time.

## Recycled Decks & Posts

\*May affect delivery lead time.

## HDPE Panel Colors

## Sandwich HDPE Panel Colors

Colors shown are representations only. Ask your SRP Certified Partner to view actual color samples before ordering.

## Rotationally Molded Colors

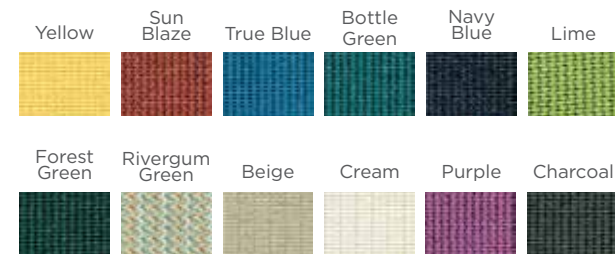

## Powder Coat Colors

All colors marked with asterisk (\*) have a semi-gloss finish.

## Shade Colors | More colors available!

All fabric is California Fire Marshal certified (highest standard for flame resistance), with the exception of Rivergum Green. More colors are available. Ask your SRP Certified Partner for more details.
